

## NATIONAL FOOTPRINT ACCOUNTS, 2009 Edition Project, Research and Tools Edition Pricing

All Editions of the National Footprint Accounts (“National Accounts”) can be ordered by contacting our office:

Global Footprint Network  
312 Clay Street, Suite 300  
Oakland, CA 94607  
[licensing@footprintnetwork.org](mailto:licensing@footprintnetwork.org)  
Tel. +1-510-839-8879 (PST)  
Fax. +1-510-251-2410

For organizations performing a single Footprint analysis, a Single Use license of the Accounts data is available. The Single Use license covers the use of the Accounts data in one project performed for one organization covering a single defined geographic area, and resulting in no more than three published works in a one-year period. Unlimited Use or Tools Edition Licenses should be purchased by organizations working on more than one Footprint project or creating a calculator that will be used by third parties.

These prices apply to the Project, Research and Tools Edition licenses. The Academic Edition of the National Accounts is free of charge and can be requested at [www.footprintnetwork.org/en/index.php/GFN/page/licenses](http://www.footprintnetwork.org/en/index.php/GFN/page/licenses).

\* Single year means data for any one year between 1961 and 2006.

Single year coverage may be purchased for any one year between 1961 and the most recent year for which data are available (the current 2009 Edition of the National Footprint Accounts provides data to 2006). Due to data limitations, calculations for years prior to 1970 may be incomplete for some components of the National Accounts.

Partners of Global Footprint Network may be entitled to free National Accounts data for one country and one year as described in their Partnership Agreement.
