Dear Friend,

We're excited to have more than 100 solutions posted to our newly launched #MoveTheDate Solutions map in collaboration with our amazing partner Mapotic! Some of our favorites from the past week include:

- [No/Low carbon emissions](#) equipment to cut lawns, planting native flower gardens, and composting services by Vieto
- [Sutton Community Farm](#) providing fresh, healthy, sustainable food as well as a community space

We'd love for you to also [join the community](#) of Date Movers and share the solutions that YOU love that help #MoveTheDate. Invite your friends and family to also join and share their knowledge and grow this community!

Also, did you know that the [Chinese](#) and [Portuguese](#) versions of the Footprint Calculator are now available? Check them out and share through your networks!

Looking forward to learning about the #MoveTheDate Solutions that YOU love,

The #MoveTheDate Solutions team
