Dear Friend,

You are part of a growing network of people who are passionate about changing the way we live on our planet. We're so excited to see more than 1 300 Date Movers on the [#MoveThedate Solutions map](#) and some 300 solutions!

This platform is designed for you to share projects that you love, which fuel your optimism about a better world, and that you may even personally work on. Visit our [FAQ](#) page if you need help finding your way around.

This week, we challenge you to:

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

- **Discover** a new solution on the map that opens up something new in the way you envision sustainability in the world
- **Comment** on one solution (or more!) that excites you: engage with others, share ideas, and start creating new relationships!

Here are some newly added solutions to inspire you:

[Make Do and Mend](#): creative solutions to upcycle damaged or old clothing.

[Energy Neutral House](#): entirely powered by solar PV, brine heat pump, and transportation through bicycling or EV

[DIY Natural Home Cleaning Solutions](#): non-toxic, cleaning solutions for your home

As always, please email us with questions, requests, or feedback. We'd love to hear from you, so don't be shy!

Warmly,

Your #MoveTheDate Solutions Team
