Espigoladors was founded in 2014 near Barcelona, Spain, to address food waste, food insecurity, and social exclusion. At Global Footprint Network, we are delighted that the non-profit won the very first #MoveTheDate Solutions contest (Food category). Congratulations, folks!

“We are so happy to win this contest,” said Espigoladors' co-founder and CEO Mireia Barba. “Together, let’s #MoveTheDate by demonstrating and implementing more solutions to reduce our global footprint, and let’s do it now! We do not want to waste more time — nor food!”
